

# STRATIS® PALLETS

## Instantly Increase Productivity

Stratis® Pallets are specially designed to speed-up the non-stop continuous feed of sheets going into Asitrade Litho-laminators. With bi-directional sword slots, these pallets can be fed in either direction depending on job specifications. Compared to wood, Stratis® Pallets are ergonomic, lightweight, HACCP approved and will reduce spoilage.

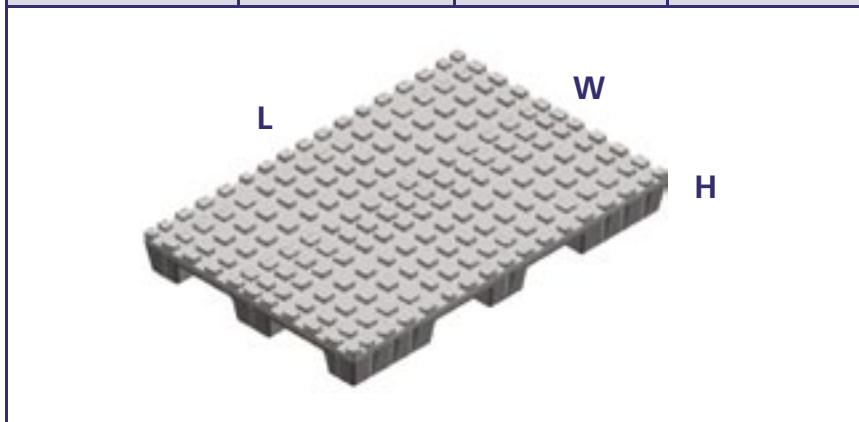

## Features and Benefits

- Bi-directional non-stop feed sword slots
- 10+ years life expectancy
- Eliminates wood particles, moisture, and odors from transferring onto product
- Reduces spoilage
- Lightweight and easy to handle
- HACCP and USDA/FDA approved

*Compatible with  
142 cm (56") and 162 cm (64")  
presses and diecutters*
